

Bio: Pat Tommet

ESAR-VHP: A Minnesota Experience

Pat Tommet is the Bioterrorism Hospital Preparedness Coordinator from Minnesota, which is located in FEMA Region V. The Hospital Preparedness Program is part of the Office of Emergency Preparedness at the Minnesota Department of Health. Pat has served in this capacity for the past 2½ years. Prior to accepting her position at the Minnesota Department of Health, Pat had extensive experience as both a clinician and administrator at Children's Hospitals and Clinics of Minnesota, located in the Twin Cities.

Pat is a certified Pediatric Nurse Practitioner with a PhD in Nursing from the University of Minnesota. She is a member of the Project Advisory Committee and also chairs the Credentials and Resource Typing Work Group for ESAR-VHP.
